DIANNE WILLIAMS
Principal

Dear Families,

Welcome back to school! As you help your child get adjusted to a new school year, I want to introduce an exciting and important new practice I have decided to launch this year, student-led conferences. Your child will lead two student-led conferences this year to reflect his or her progress and receive feedback. I feel that student-led conferences are a very important way to engage children in understanding and taking ownership of their learning. Of course, anyone who feels they need a private meeting with a teacher will still be able to schedule one.

In the coming weeks your child's teacher will send home more detailed information describing the conferences. Please respond to the request for information about scheduling. We are counting on 100% participation as we launch student-led conferences. If you are unable to attend, another adult can represent you (grandparent, aunt, teacher, principal, mayor, etc.). This will ensure that your child will have a chance to lead a conference and show what he/she knows!

Thank you for partnering with us to give your child the best education possible. Your child will love this opportunity to show you what they have learned.

Sincerely,

A handwritten signature in black ink that reads "Dianne Williams".
