Parents,

We are off to a great start at CES. As of today, we have 403 students in our building. This is the highest enrollment ever at CES. Please be sure to look at the handbook when it comes to attendance. Things have changed this year and the board has a new Truancy Officer, which will be visiting those not in school. If you did not get a handbook let us know.

Thank you so much for your patience with the new drop-off and dismissal procedures. It has helped tremendously with the buses and getting those children on the road as quickly and safely as possible. I think we finally have all the kinks worked out and things are flowing smoothly. Just a reminder PLEASE, PLEASE, PLEASE HANG YOUR CAR TAGS IN THE FRONT WINDOW!!!! This makes car line go much faster. If you need one let us know! If someone else is picking your child up a sheet of paper will work. FYI: We are waiting on all the buses to exit from Bankhead before we let car riders go. That is the reason you have to sit and wait after loading. Again, thank you for your patience as we try to load ALL students as quickly and safely as possible. (We could use volunteers to help us load students).

PTO!!!!!!! Calling all parents. We will have our first PTO meeting of this school year Wednesday, September 11th at 3:30 p.m. in the CES lunchroom. The PTO is very important to our school and we hope many of you will become volunteers. As always, thank you for letting us serve your children.

Go Baby Blue Devils!!!

Mrs. Williams
