

Walker County Schools

Second Grade Grading Rubric

Dear Parents/Guardians,

Walker County Schools uses standards-based reporting in second grade. Student proficiency of the Alabama College and Career Ready Standards are measured using the following rubric:

Proficiency Score	Percentage Scale	Proficiency Level
4	90-100	Mastering Standards
3	80-89	Meeting Standards
2	70-79	Approaching Standards
1	69 and below	Not Meeting Standards

- A student's work is scored with a percentage and entered into the iNow Chalkable computer-based gradebook.
- Percentage scores are converted to proficiency scores, as stated in the above chart.
- Progress reports and report cards display the student's proficiency on essential standards.
- Essential standards are skills that are deemed necessary in order for students to be successful in third grade.
